INDEPENDENT AUDITORS' REPORT

To,
The Members of GOOSEBUMPS MEDIA PVT LTD

REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

Opinion

We have audited the accompanying financial statements of GOOSEBUMPS MEDIA PVT LTD ("the Company"), which comprise the balance sheet as at March 31, 2021, and the Statement of Profit and Loss as at March 31, 2021, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act read with the Companies (Accounting Standards) Rules, 2006, as amended, ("AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, the profit and its cash flows for the year ended on that date.

Basis for opinion

We conducted our audit in accordance with the standards on auditing specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *auditor's responsibilities for the audit of the financial statements* section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information other than the financial statements and auditors' report thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Other Information - Board of Directors' Report

The Company's Board of Directors is responsible for the preparation and presentation of its report (herein after called as "Board Report") which comprises various information required under section 134(3) of the Companies Act 2013 but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the Board Report and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the Board Report and in doing so, consider whether the Board Report is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

Management's responsibility for the financial statements

The Company's board of directors are responsible for the matters stated in section 134 (5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The board of directors is also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement

resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements

1. As required by Section 143(3) of the Act, we report that:

(a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;

AMAA AND ASSOCIATES

- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- (c) The balance sheet & the statement of profit and loss statement dealt with by this report are in agreement with the books of account;
- (d) In our opinion, the aforesaid financial statements comply with the accounting standards specified under section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014;
- (e) On the basis of the written representations received from the directors as on March 31, 2021 taken on record by the board of directors, none of the directors is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164 (2) of the Act;
- (f) In our opinion, the provisions of Section 143(3)(i) with regard to opinion on internal financial controls with reference to financial statements and operating effectiveness of such controls is not applicable to the company; and
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us;

NOTE 1: SIGNIFICANT ACCOUNTING POLICIES & NOTES TO THE ACCOUNTS

NATURE OF OPERATIONS

GOOSEBUMPS MEDIA PVT LTD (CIN NO. U74999DL2018PTC342207) was incorporated on 27th November, 2018 under the provision of the Companies Act'2013 as 100 % subsidiary of 91DIGITAL WEB PVT LTD (CIN NO U72900DL2012PTC240005) with main objects to develop and run digital properties including websites, web applications, mobile sites, and mobile applications, for business use in-house or for clients worldwide.

SIGNIFICANT ACCOUNTING POLICY

(a) Basis of preparation

The financial statements have been prepared to comply in all material respects with the mandatory Accounting Standards issued by the Institute of Chartered Accountants of India and the relevant provisions of the Companies Act'2013("the act"), as amended.

(i) Basis of Measurement

The financial statements have been prepared under the historical cost convention (except for impaired fixed assets which are stated at recoverable amount) on an accrual and going concern basis. The accounting policies have been consistently applied by the Company and except for the changes in accounting policy discussed more fully below, are consistent with those used in the previous year. The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent liabilities on the date of the financial statements and the reported amounts of revenues and expenses during the period reported. Actual results could differ from those estimates. Any revision to accounting estimates is recognized in accordance with the requirements of the respective accounting standard.

(ii) Estimation of uncertainties relating to the global health pandemic from COVID-19

In assessing the recoverability and carrying values of its assets comprising Property, Plant and Equipment, Intangible assets, Receivables and other financial assets, the Company has considered internal and external information upto the date of approval of these financial results. However, the impact assessment of COVID-19 is a continuing process given the uncertainties associated with its nature and duration. The impact of the global health pandemic may be different from that estimated as at the date of approval of these financial results and the Company will continue to closely monitor any material changes to future economic conditions.

(b) Property, Plant & Equipment

(i) Fixed assets are stated at cost of acquisition, including any attributable cost for bringing the asset to its working condition for its intended use, less accumulated depreciation and impairment loss if any.

(ii) Borrowing costs relating to acquisition of fixed assets which takes substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready to be put to use.

(c) Depreciation

Depreciation on fixed assets has been provided on WDV method on prorata basis over the useful life prescribed in schedule II to the Companies Act, 2013 after considering salvage value of five percent of original cost. The Company has considered useful life of assets same as prescribed under the Companies Act, 2013.

Leasehold Improvements are amortized over the period of lease.

Assessment is carried out at each Balance Sheet date as to whether there is any indication that an asset (tangible and intangible) may be impaired. Impairment loss is provided to the extent the carrying amount of assets exceed their recoverable amount. Recoverable amount is the higher of an asset's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life. Net selling price is the amount obtainable from the sale of an asset in an arm's length transaction between knowledgeable, willing parties, less the costs of disposal.

(d) Investments

Long-term Investments are stated at cost. Provision is made to recognise a decline, other than temporary, in the value of Long-term Investments. Current Investments are stated at lower of cost and fair value.

(e) Inventories

Inventories are valued at lower of cost and net realisable value. Cost is determined on moving weighted average basis. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

(f) Revenue Recognition

- Sales are recognised when the significant risks and rewards of ownership in the goods are transferred to the customer and are recognised net of trade discounts, rebates, sales tax and excise duty. Provision is made for the non-sellable returns of goods from the customers estimated on the basis of historical data of such returns. Such provision for non sellable sales returns is reduced from sales for the year.
- Service income is accounted as and when services are rendered and are net of service tax/GST.
- Commission income is recognised in respect of sales made on behalf of consignee when the significant risks and rewards of ownership in the goods are transferred to the buyer and is net of service tax/GST.
- Interest income is recognised on time proportion basis taking into account the amount outstanding and the rate applicable.
- Dividend income is recognised when the right to receive dividend is established.

(g) Employees Benefits:

Short term employee benefits

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. Benefits such as salaries, wages, bonus, etc. are recognised in the Statement of Profit and Loss in the period in which the employee renders the related service.

Defined contribution plans

The Company has no contributions to defined contribution plans as such provisions are not applicable to the Company.

Defined benefit plans

The Company has not made provision for long term benefits like gratuity etc as required under AS-15- Employee Benefits, considering the size and no employees were employed during the reporting period.

(h) Taxes on Income

Current tax is determined as the amount of tax payable in respect of estimated taxable income for the year. Deferred tax is recognised for all the timing differences, subject to the consideration of prudence in respect of deferred tax assets. Deferred tax assets are recognised and carried forward only to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date.

(i) **Provisions and Contingent Liabilities**

The company recognizes a provision when there is a present obligation as a result of a past event, it is probable that an outflow of resources will be required to settle the obligation and in respect of which reliable estimate can be made. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation and the likelihood of outflow of resources is remote, no provision or disclosure is made.

(j) **Segment Reporting**

The accounting policies adopted for segment reporting are in conformity with the accounting policies adopted for the Company. Further, inter-segment revenue has been accounted for based on the transaction price agreed to between segments which is primarily market based. Revenue and expenses have been identified to segments on the basis of their relationship to the operating activities for the segment. Revenue and expenses, which relate to the Company as a whole and are not allocable to segments on a reasonable basis, have been included under "Unallocated corporate expenses/income".

(k) **Earnings Per Share**

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

(l) **Cash and Cash Equivalents**

Cash and Cash Equivalents in the Balance Sheet comprise Cash at bank in scheduled banks and in hand.

(m) **Leases**

The Company has taken office on lease for its operating business activities, which is classified as an Operating Lease.

(n) **Current assets, loans and advances have a value on realization which in the Ordinary course of the business would not be less than the amount at which they are stated in the balance sheet and the provisions for all known and determined liabilities are adequate and not in excess of the amount reasonable required.**

(o) **Foreign Currency Transactions**

(i) Transactions denominated in foreign currencies are normally recorded at the exchange rate prevailing at the time of the transaction.

(ii) Monetary items denominated in foreign currencies (such as cash, receivables, payables etc) outstanding at the year-end and not covered by forward exchange contracts are translated at exchange rates applicable as on that date.

(iii) Non-monetary items denominated in foreign currency, (such as fixed assets) are valued at exchange rates prevailing on the date of transaction.

(iv) Interest accrued and due on foreign currency loans (if any) are converted in Indian Rupees at the rate prevailing on date on which the interest was due. Interest accrued but not due on such loans are converted at the rates prevailing as on the last day of the accounting year.

(v) Foreign Currency Transactions relating to import are recorded at the exchange rates at which Import Prices are negotiated with Bankers. While payments are recorded; as and when made, at the exchange rates prevailing on the date of remittance to abroad. The resultant gain / loss arising from such transactions have been recorded in the Profit & Loss Account.

(vi) Any income or expense on account of exchange difference either on settlement or on translation is recognized in the Profit and loss Accounts except in cases they related acquisition of fixed assets in which case they are adjusted to the carrying cost of such assets.

(p) Preliminary expenses have been written off in the period in which the same are incurred.

(q) Impairment

The carrying amounts of assets are reviewed at each balance sheet date whether there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the assets net selling price and value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life.
