**INDEPENDENT AUDITORS' REPORT**

To,  
The Members of  
**91DIGITAL WEB PRIVATE LIMITED**

**Report on the Audit of the Standalone Financial Statements**

**Opinion**

We have audited the Standalone financial statements of **91DIGITAL WEB PRIVATE LIMITED** ('the company') which comprise the balance sheet as at **March 31, 2024**, the statement of Profit and Loss and Statement of Cash Flows for the year ended on that date, and notes to the financial statements, including a summary of the Material Accounting Policy Information and other explanatory information hereinafter referred to as Financial Statements.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act read with the Companies (Accounting Standards) Rules, 2021, ("AS") and other accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2024, the Profit and its cash flows for the year ended on that date.

**Basis for Opinion**

We conducted our audit of the Standalone Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Standalone Financial Statements.

**Information Other than the Standalone Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Company's annual report, but does not include the Standalone financial statements and our auditor's report thereon.

Our opinion on the Standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the Standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the company in accordance with the accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the

**Statement of Cash Flows**

**Accounting Policy**

Cash flows are reported using the indirect method, whereby profit for the year is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated. The Company considers all highly liquid investments that are readily convertible to known amounts of cash to be cash equivalents.

**NOTE NO. 1: SIGNIFICANT ACCOUNTING POLICIES & NOTES TO THE ACCOUNTS**

**Nature of Operations**

91DIGITAL WEB PVT LTD. was incorporated on 08<sup>th</sup> August 2012 in order to provide web-based business activities and advertisement and other ancillary activities.

**A. Statement of Significant Accounting Policies**

**(a) Basis of preparation**

The financial statements have been prepared to comply in all material respects with the mandatory Accounting Standards issued by the Institute of Chartered Accountants of India and the relevant provisions of the Companies Act 2013 ("the act"), as amended.

**(i) Basis of Measurement**

The financial statements have been prepared under the historical cost convention (except for impaired fixed assets which are stated at recoverable amount) on an accrual and going concern basis. The accounting policies have been consistently applied by the Company and except for the changes in accounting policy discussed more fully below, are consistent with those used in the previous year. The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent liabilities on the date of the financial statements and the reported amounts of revenues and expenses during the period reported. Actual results could differ from those estimates. Any revision to accounting estimates is recognized in accordance with the requirements of the respective accounting standard.

In assessing the recoverability and carrying values of its assets comprising Property, Plant and Equipment, Intangible assets, Receivables and other financial assets, the Company has considered internal and external information upto the date of approval of these financial results.

**(b) Property, Plant & Equipment**

(i) The cost of property, plant and equipment comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, including relevant borrowing costs for qualifying assets and any expected costs of decommissioning. Expenditure incurred after the property, plant and equipment have been put into operation, such as repairs and maintenance, are charged to Statement of Profit and Loss in the period in which the costs are incurred.

(ii) An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sale proceeds and the carrying amount of the asset and is recognized in Statement of Profit and Loss.

(iii) Assets in the course of construction are capitalized in the assets under capital work in progress account (CWIP). At the point when an asset is operating at management's intended use, the cost of construction is transferred to the appropriate category of property, plant and equipment and depreciation commences. Where an obligation (legal or constructive) exists to dismantle or remove an asset or restore a site to its former condition at the end of its useful life, the present value of the estimated cost of dismantling, removing or restoring the site is capitalized along with the cost of acquisition or construction upon completion and a corresponding liability is recognized. Revenue generated from production during the trial period is capitalized.

(iv) Property, plant and equipment except freehold land held for use in the administrative purposes, are stated in the balance sheet at cost less accumulated depreciation and accumulated impairment losses, if any. Freehold or Leasehold land is stated at historical cost. Leasehold Land acquired by the Company, with an option in the lease deed, entitling the Company to purchase on outright basis after a certain period at no additional cost is not amortized

**Other Intangible assets**

Intangible Assets are stated at costs less accumulated amortization and impairment losses if any. Intangible Assets are amortized over their respective individual estimated useful lives on a straight-line basis, from the date they are available for use. The estimated useful life of an identifiable intangible asset is based on a number of factors including the effects of obsolescence, demand, competition and other economic factors (such as stability of the industry, and known technological advances), and the level of maintenance expenditures required to obtain the expected future cash flows from the asset. Amortization methods and useful lives are reviewed periodically including at each financial year end. If the estimated useful life of the asset is significantly

*Signature*

different from previous estimates, the amortization period is changed accordingly. The costs which can be capitalized include the cost of material, direct labor, overhead costs that are directly attributable to preparing the asset for its intended use. Acquired intangible assets are recorded at its acquisition price and amortized over its estimated useful life as per the Company's depreciation / amortization policy.

Gain or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit and Loss when the asset is derecognized.

**Amortization rates currently applied are as follows:**

Asset description	Useful life
Intangible Assets - Computer Software	10 years
Intangible Assets - Software tools	10 years
Residual value is considered to be	NIL

**(c) Depreciation**

Depreciation on fixed assets has been provided on WDV method on prorata basis over the useful life prescribed in schedule II to the Companies Act, 2013 after considering salvage value of five percent of original cost. The Company has considered useful life of assets same as prescribed under the Companies Act, 2013.

**Estimated useful life of the assets are as follows:**

Class of Property, plant and equipment	Useful life
Computers	03 years
Furniture and fixtures	10 years
Vehicles	08 years
Office equipment	05 years

Useful life is either the period of time which the asset is expected to be used or the number of production or similar units expected to be obtained from the use of asset. The estimated useful life, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

Assets of which useful life has already been expired but depreciation charged till previous financial year was less than 95% of original cost of the assets, difference of 95% of Original Cost and depreciation charged till last year, has been charged to profit and loss account as depreciation.

Leasehold Improvements are amortized over the period of lease.

**(d) Government grants and subsidies**

Grants and subsidies from the government are recognized when there is reasonable assurance that the grant/subsidy will be received and all attaching conditions will be complied with. When the grant or subsidy relates to an expense item, it is recognized as income over the periods necessary to match them on a systematic basis to the costs, which it is intended to compensate. Where the grant or subsidy relates to an asset, its value is deducted in arriving at the carrying amount of the related asset.

**(e) Investments**

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long-term investments. Current investments are carried at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is recognized if it is other than temporary in the value of such investments; decline, if any, is charged to the Statement of Profit and Loss. Cost comprises cost of acquisition and related expenses such as brokerage and stamp duties.

**(f) Revenue recognition**

Revenue is recognized upon transfer of control of promised services to customers in an amount that reflects the consideration the Company expects to receive in exchange for those products or services. The significant accounting policies related to revenue recognition are as under:

**Sale of Goods**

Revenue is recognized when the significant risks and rewards of ownership of the goods have passed to the buyer.

**Sale of services**

-Revenues from advertising and content services are recognized when (i) persuasive evidence of an arrangement exists; (ii) delivery of the services has occurred and risks and rewards of ownership have passed to the customer; and (iii) collection of the resulting receivable is reasonably assured.

*Signature*

-Revenues in excess of invoicing are classified as contract assets (which the Company refers to as Unbilled Revenue) while invoicing in excess of revenues are classified as contract liabilities (which the Company refers to as Unearned Revenue). The billing schedules agreed with customers include periodic performance-based payments and / or milestone-based progress payments. Invoices are payable within contractually agreed credit period.

-Revenue includes reimbursement of expenses wherever billed as per the terms of the contracts.

-The Company presents revenues net of indirect taxes in its Statement of Profit and Loss.

#### *Interest*

Revenue is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

#### *Dividends*

Revenue is recognized when the shareholders' right to receive payment is established by the balance sheet date.

#### *Other Income*

Other Income is recognized when the right to receive is established.

### **(g) Foreign Currency Transactions**

(i) Transactions denominated in foreign currencies are normally recorded at the exchange rate prevailing at the time of the transaction.

(ii) Monetary items denominated in foreign currencies (such as cash, receivables, payables etc) outstanding at the year-end and not covered by forward exchange contracts are translated at exchange rates applicable as on that date.

(iii) Non-monetary items denominated in foreign currency, (such as fixed assets) are valued at exchange rates prevailing on the date of transaction.

(iv) Interest accrued and due on foreign currency loans (if any) are converted in Indian Rupees at the rate prevailing on date on which the interest was due. Interest accrued but not due on such loans are converted at the rates prevailing as on the last day of the accounting year.

(v) Foreign Currency Transactions relating to import are recorded at the exchange rates at which Import Prices are negotiated with Bankers. While payments are recorded, as and when made, at the exchange rates prevailing on the date of remittance to abroad. The resultant gain / loss arising from such transactions have been recorded in the Profit & Loss Account.

(vi) Any income or expense on account of exchange difference either on settlement or on translation is recognized in the Profit and loss Accounts except in cases they related acquisition of fixed assets in which case they are adjusted to the carrying cost of such assets.

### **(h) Employee Benefits**

#### **(i) Short-Term Employee Benefits**

Employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits and are recognized in the period in which the employee renders the related service.

#### **(ii) Post-Employment Benefits (Defined Contribution Plans)**

Provident Fund is a defined contribution scheme (Government scheme) and the contributions are charged to the Profit & Loss Account of the year when the contributions to the respective funds are due.

#### **(iii) Long-Term Employee Benefits**

Long term employee benefits comprise of compensated absences. These are measured on the basis of year-end actuarial valuation in pursuance of the Company's leave rules. Actuarial gains/losses are immediately taken to the profit and loss account and are not deferred.

(iv) Payments made under the Voluntary Retirement Scheme are charged to the Profit & Loss account over a five-year period.

### **(i) Income and Deferred Taxes**

Tax expense comprises both current and deferred taxes. Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income Tax Act. Deferred income taxes reflect the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

*Manu*

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. Deferred tax assets are recognized on carry forward of unabsorbed depreciation and tax losses only if there is virtual certainty that such deferred tax assets can be realized against future taxable profits. Unrecognized deferred tax assets of earlier years are re-assessed and recognized to the extent that it has become reasonably certain that future taxable income will be available against which such deferred tax assets can be realized.

**(j) Segment Reporting Policies**

The Company's operating businesses are organized and managed separately according to the nature of products and services provided, with each segment representing a strategic business unit that offers different products and serves different markets. The analysis of geographical segments is based on the areas in which major operating divisions of the Company operate. The Company generally accounts for inter-segment sales and transfers as if the sales or transfers were to third parties at current market prices.

Common allocable costs are allocated to each segment according to the relative contribution of each segment to the total common costs.

The Corporate and Other segment include general corporate income and expense items, which are not allocated to any business segment.

**(k) Earning per Share**

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period. Partly paid equity shares are treated as a fraction of an equity share to the extent that they were entitled to participate in dividends relative to a fully paid equity share during the reporting period. The weighted average number of equity shares outstanding during the period is adjusted for events of bonus issue; bonus element in a rights issue to existing shareholders; share split; and reverse share split (consolidation of shares).

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

**(l) Provisions**

A provision is recognized when an enterprise has a present obligation as a result of past event; it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Provision for expenditure relating to voluntary retirement is made when the employee accepts the offer of early retirement.

**(m) Current Assets**

Debtors, loans and advances are valued on net realization basis.

**(n) Interest**

Interest is provided on the loans from FI's and Banks in accordance with the term and conditions of the agreement entered in to with them.

**(o) Contingent Liabilities**

A disclosure by way of a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Contingent Liabilities, which are considered significant and material by the company, are disclosed in the notes to accounts.

Contingent Assets are not recognized or disclosed in the financial statements.

**(p)** Preliminary expenses had been written off in the period in which the same has been incurred.

**(q)** Current assets, loans and advances have a value on realization which in the Ordinary course of the business would not be less than the amount at which they are stated in the balance sheet and the provisions for all known and determined liabilities are adequate and not in excess of the amount reasonable required.

*Signature*

**(r) Leases**

Lease arrangements where the risks and rewards incidental to ownership of an asset substantially vests with the lessor, are recognized as operating lease. Lease rentals under operating lease are recognized in the statement of profit and loss on a straight-line basis.

**(s) Impairment**

Intangible assets and property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. If such assets are required to be impaired, the impairment to be recognized in the Statement of Profit and Loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the Statement of Profit and Loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

**(t) Material Events**

Material events occurring after the balance sheet date are taken into cognizance.
